Glad to hear it went well. I'm sure he will be great tomorrow.

No problem! All the prep went great today. I think he is well prepared for tomorrow. When the time comes for further prep for potential Senate EPW and House E&C hearings on this, I think your input will be very useful and I will give y'all more of a heads up. Dave was changing the schedule on us a lot the past few days so it was hard to pin down when we were going to do the questioning.

Travis,  
Huge apologies. I had intended to attend for us but totally forget.  
Are there any OCSPP items that might need followup?

**Subject:** 3/5 PFAS Mock Hearing for Dave Ross

Hey Everyone-

Tomorrow morning from 9:30-11am in WJCN 3530 we will be holding a mock hearing/murder board for Dave Ross in his prep for Wednesday's House Oversight (Sub. on Environment) hearing on PFAS. OW identified your offices as having equities in the PFAS issue, and if you or someone in your office would like to attend and ask potential questions from the perspective of your office's involvement it would be greatly appreciated.

Let me know by COB today if someone from your office can attend, and if that is not possible let us know of any potential lines of questioning you would like Dave to be asked. Feel free to give me a call if you have any questions.

Thanks,

Travis
